VOL. 64 NO. 303

TWIN FALLS, IDAHO, MONDAY, FEBRUARY 12, 1968

TEN CENTS

AS AN ESTIMATED 2,000 persons watched, the old smokestack of the Amalgamated Sugar Co. tottered, then with a dull thud crumbled into dust at 1:57 p.m. Sunday. The crowd immediately was covered with heavy black dust as the years' accumulation of soot was carried by a stiff breeze over the area right. The "funeral pyre" of the long-unused smokestack was lit at 1:30 p.m. and the crowd watched with mounting interest until the structure started to lean and then fell, with its top landing in the exact spot designated by

engineers from M. W. Kellogg Firm, Denver, who had laid a fire where the top of the smokestack was to hit. Cars were parked solidly from the factory to the Livestock Commission Yards on one side of the railroad tracks and also along Occidental Avenue for nearly a quarter of a mile. Tires and sand were put over the two sets of railroad tracks to cushion the blow of the falling structure. The smokestack, which was 16 feet in diameter at the bottom and narrowed to eight feet at the top, was estimated to weigh some 1,400 tons.

President Park Considers Trip To U.S.

SEOUL (AP) — South Korean President Chung Hee Park is reported considering a trip to talk with President Johnson if U.S. presidential envoy Cyrus Vance doesn't resolve the U.S.-South Korean rift over Korean security.

Vance and Park met for the first time today. Vance's mission is to quiet South Korean fears that the United States is tending toward appeasement in the Pueblo incident and neglecting the increase in the infiltration of armed North Koreans into the South.

Johnson sent Park a personal letter last Thursday, and Vance was expected to deliver another such letter today. Informed Korean sources said Johnson may

have invited Park to Washington and, depending on the results of his talks with Vance, Park may decide to go.

In a move welcome to the South Koreans, the American officers who head the U.N. Command in Korea asked for a meeting with North Korea to air claims of Communist true violations "and through-the-de-militarized zone."

North Korea rejected the command's proposal to meet today, but it was indicated that the Communists proposed meeting Wednesday and that this would be acceptable to the U.N.

A U.S. military spokesman said four North Koreans crossed into South Korea around mid-

night Sunday, but American sentries repelled them in a brief clash. No casualties were reported.

There was speculation that Vance would also meet with North Korean representatives before his scheduled departure Tuesday afternoon. The United States and North Korea have held five secret meetings since the Communists seized the U.S. intelligence-gathering ship Pueblo Jan. 23.

No official reports have come out of the talks, but reliable Korean sources said they believed three injured Pueblo crewmen and the body of one sailor who died would be returned soon.

The secret meetings miffed the South Koreans, traditionally

strong allies of the United States, who are more concerned about the security threat raised by the Communist commando raid into Seoul Jan. 21 in an attempt to assassinate President Park.

The commandos failed, but a police chief was killed in a gun battle with them only 800 yards from the presidential mansion. Allied forces later killed 27 of the infiltrators and captured one.

South Korean officials also were expected to ask Vance for return of operational control of their 500,000-man armed forces, now held by American Gen. Charles H. Bonesteel III, the commander of U.N. forces in South Korea.

New Delhi Alerted To Meet Violence

NEW DELHI (AP) — Police in New Delhi and other cities went on the alert today to meet possible Hindu-Muslim violence following the mysterious death

County Nearly Ready To Adopt Budget

Commissioners of Twin Falls County said Monday morning they hope to be ready to adopt their 1968 final budget by 5 p.m.

Although state law states the budget should be adopted on the second Monday of February, the Monday meeting can be adjourned if budget figures are not complete at the end of business on that date.

Commissioners said while Monday was open for hearing on the proposed budget of \$37,568,285, they anticipated very little taxpayer interest.

Members of the Twin Falls County Farm Bureau asked for a meeting with the commissioners during the day and members of the group supporting a \$13,500 mental retardation center budget were at the commissioning Monday morning. Ray Lincoln, spokesman for the group, said they were not on hand to protest any budgeting, but rather to support the amount set aside for their project.

About the total county budget only one-third or \$1,246,730 will be provided through taxes. The figure is higher than last year's budget, commissioners say, they do not see any tax increase for the current year under the proposed budget.

Battle Fought

TEL AVIV (AP) — Israeli and Jordanian troops fought an hour-long machine-gun battle to day across the Jordan River near Gedor, in the Belsan Valley, scene of a heavy tank and artillery clash Sunday, the Israeli army announced.

White Stores Boycotted

ORANGEBURG, S.C. (AP) — Negroes turned to a boycott of white businesses today as they pressed for civil rights gains and immediate removal of National Guard troops from this small town.

Communal bickering also came up in the opening budget session of Parliament in New Delhi today. The Communists and Socialists walked out on a speech by President Zakhil Huq and members of the DMK party from Madras State boycotted the session. The DMK party is among those resisting imposition of the Hindi tongue in Madras.

EDITOR'S NOTE — While man reaches for the farthest limits of space, he threatens to leave behind a planet ruined by his carelessness and neglect. This following is the first of five articles on how man has despoiled his environment.

By ALTON BLAKESLEE
AP Science Writer

Three bold men, buttoned in like an Apollo spacecraft, are destined in coming months to leave earth and go exploring the moon. They know of course, every-

thing, they will die should anything go seriously wrong with their supply of air, water or heat—in short, with their environment aboard the tiny spacecraft. But mankind at home on earth is threatening ominously to destroy his own planet, by actions as careless as astronauts deliberately tampering with their life-support system. Man's earth is even running out of places to throw away his garbage and trash. The earth is actually only one huge spaceship. It spins at 1,000 miles an hour; it wheels around 110 passengers, all dependent upon and in turn influencing the sun once a year at 68,000 m.p.h.; it is one captive planet, the sun whirling within the tiny Milky Way galaxy at 630,000 m.p.h., on the sun's unknown cosmic mission.

Every human being thus is a member of a space crew. Planet earth keeps them alive with one-ton-environment-only, to supply the air, water, food, all the materials to support all of its current 3.3 billion passengers. By some predictions, within 30 more years there will be five to seven billion people on earth, becoming increasingly populous, at rising risk to human health and life. Water in

Firemen To Issue Pay Raise Petitions

By FRED DODDS
Times-News Staff Writer

Twin Falls firemen will begin circulating petitions Tuesday in an effort to gain citizen support in a battle aimed at getting a \$44 a month increase for the city's firefighters.

Firemen have been meeting with the city council, presenting their views and getting the city's views on a pay raise. The last such meeting was Friday night. It lasted two hours and at that time it was announced the council has budgeted \$3,000 in the 1968 budget to pay for a complete Fire Department study.

The councilmen said then they believe city employees are "underpaid" about \$10 a month, but added it would take a "huge" tax increase to raise all city wages.

City Councilman John Angerhauer said Monday, "A lot of people in Twin Falls are underpaid. If we okay an increase to firemen, we would have to increase wages paid in other departments."

He said he wondered if the taxpayer in the city would agree with such an increase, "which could cost the taxpayer an additional \$500,000."

Firemen said they have enlisted citizen support in circulating the petitions.

The petitions ask that the fireman's wage be increased 40 cents an hour.

The petitions will be presented to members of the City Council at a budget hearing at 7:30 p.m. next Monday at City Hall.

Firemen said they have their petition on 15 points, most of them dealing with the allegation firemen are "underpaid \$10 a month." They also challenge certain figures on Fire Department costs in the city. The fig-

ures were released by City Manager Herb Derrick last Friday and show Twin Falls cost at \$9.00 per capita, compared to a national average of \$8.36.

They question the need of a \$3,000 study, alleging "it will only show we are underpaid \$100 a month."

Firemen allege they work 11 hours a week more than police officers, but police officers start at \$50 a month more.

Mr. Angerhauer said, "If they gather enough signatures, the council will have to listen. But the signatures should represent the voters of Twin Falls."

TALKS STARTED

BONN, Germany (AP) — U.S. officials started talks today to improve West German cooperation on President Johnson's measures to improve the U.S. balance of payments.

Pointing out that Idaho's magistrates have greater contact with the state's driving public than any other court, Glenn A. Phillips, Arco, association president, said there has been considerable criticism of the court in traffic case handling, but most of the fault lies not with the courts but with the state's laws and driver regulations.

Reed P. Maughan, Twin Falls

magistrate, in the open letter to Gov. Sam Nelson and the citizens of Idaho, the Idaho Magistrates Association, alarmed over the mounting highway death rate in Idaho, have reiterated their appeal to the Idaho Legislature and Gov. Samuelson to consider their earlier recommendations for tightening up traffic laws and driver regulations.

Maughan

in the open letter to Gov.

Samuelson and the citizens of

Idaho,

the

state

legislature, asking

stronger traffic laws.

These

were ignored, they added.

One of these urged a new

speed law, since speeding contributes to 65 per cent of the accidents. Instead, the magistrates said, the state enacted a mechanical safety inspection program at many thousands of dollars cost to correct a problem on only one to two percent of the accidents.

Later the magistrates recommended speed law changes, improvement in laws pertaining to speeding drivers, lane-line driving, and reenactment of the habitual violator statute and requested city police courts be given the same jurisdiction as other courts in traffic matters. Not one-of-the-recommendations.

See MAGISTRATES, P. 2, C. 4.

Ketchum Snowmobile Rally Successful

KETCHUM — The third annual Snowmobile rally held here Saturday and Sunday was the most successful rally of the kind by Western Snowmobile Association officials.

Sunday's races were official WSRA events and winners received trophies from Kay Piva, Stanley, who was crowned queen of the event Saturday night. A crowd estimated at 2,000 persons overflowed the parking space provided along the Ketchum strip and cars parked along Highway 93.

A helicopter did a brief flyover taking sightseers over the valley for an aerial view of the races. The weatherman cooperated by providing bright sunny weather during the entire two days of the event. Sunday

night it clouded over and four inches of snow fell at Hailey. Maurice Bovins, of the Sawtooth Valley Snowmobile Association, announced the next WSRA race in the area will be March 2 at the Shiley Creek alpine, with fun races March 3.

In the 300 cc. trophy dash Sunday Albert Wada, Pingree, was the winner and Laren Rosen Paul, won the 100 cc. trophy dash. In the 200 cc. Main Class, Wallace went to Robert Reed, Blackfoot, second place to Bud Prescott, Twin Falls, and third to Mark Anderson, Ririe.

Winners of the 300 A. Main Class included Robert Curi, Twin Falls, first; Robert Wada, Pingree, second, and Larry Pilkington, Twin Falls, third. In the 300 B Main Class, Mark Anderson, Ririe, was first; Stan Johnson, Ketchum, was third; and LaVar Murdoch, Blackfoot, second; Marcello Schaefer, Filer, third.

In the 400 C Main Class Wayne Norman, Harvey, Osborne, second, and Gerry Sorenson, Idaho Falls, third. Winners of the 400 B Main Class were Blaine Van Orden, Blackfoot, first; LaVar Murdoch, Blackfoot, second; and Marcello Schaefer, Filer, third.

In the 400 C Main Class Wayne Norman, Harvey, Osborne, second, and Gerry Sorenson, Idaho Falls, third. Winners of the 400 B Main Class were Blaine Van Orden, Blackfoot, first; LaVar Murdoch, Blackfoot, second; and Marcello Schaefer, Filer, third.

See POLLUTION, P. 3, C. 4.

George Hansen Says He Will Run For U.S. Senate

BOISE (AP) — Rep. George Hansen told the Idaho Republican State Central Committee today he will run this year for the United States Senate but he said he is not yet ready to make his formal announcement.

Hansen, serving his second term as representative from Idaho's Second Congressional District, went a bit further in acknowledging he has made up his mind to run than he did in the past, when he has said he will do so.

He will seek the seat held by Democrat Frank Church, who is expected to run for re-election to a third term.

Hansen said he is confident he can beat Church.

He said he will assert in his campaign that Idaho needs membership on more "bread and butter" committees in Congress, which he defined as those having a direct relationship to the highway trust funds.

Jordan said "irresponsible fiscal policy" at the national level is keeping this nation "in status quo."

Forecast

Considerable cloudiness with occasional snow today and tonight. Partly cloudy with a few flurries Tuesday. High 35 to 45, low in 20s, except Caribou Prairie high 25 to 35, low 5 to 6. Winds occasionally 10 to 15 miles per hour. Probability of measurable precipitation 20 per cent today, 30 per cent tonight and 20 per cent Tuesday. Outlook for Wednesday little change. Temperatures at 8 a.m.: 32 at Jerome, 34 at Castleford, three-inch 31-30; at Buhl, three-inch 40; at Rupert, four-inch 36-40; at Twin Falls, four-inch 32-33; eight-inch 32; 20-inch, 34-36; 40-inch at Idaho Falls, rolled and came to rest in an irrigation ditch.

—Needed now is action "looking at total man in his total environment rather than taking a crimp or piecemeal approach to solving problems," — a speech given to the government entitled "A Strategy for a Livable Environment."

—Man must try to anticipate the consequences from new things he does. Great changes in rainfall, weather, bodies of water, may be triggered off inadvertently by seemingly innocuous manmade influences. Jet contrails and exhausts, man-made heat, might be such triggers.

—Environmental pollution is getting worse. And little is known yet about the potential hazards in the week.

—Precipitation amounts will be light in most areas of Southern Idaho ranging from around .10 of an inch to less than measurable amounts.

—Temperatures will be a little lower in our valleys the next few days as cloudiness persists. Maximum temperatures today and Tuesday will be in the 30s in Eastern and northcentral valleys and in the mid 30s to mid 40s in Magic and southwestern valleys. Minimum temperatures tonight will be in the teens and 20s in most valleys.

—The extended outlook calls for temperatures to average near to a little above normal during the cold spell.

75 per cent humidity, 34 at T.F. Entomology Laboratory with 69 per cent humidity, 18 at Fairchild, 28 at Hailey, 28 at Buhl, 20 at Castleford, 31 at Gooding. At noon, 37 at T.F. Weather Bureau with 51 per cent humidity. Barometer: 29.88. Soil temperatures: At T.F., four-inch 32-33; eight-inch 32; 20-inch, 34-36; 40-inch at Buhl, three-inch 32-33; at Castleford, three-inch 31-30;

Summary, Extended Outlook

A change has taken place in the weather over the valleys of Southern Idaho. Sunny skies of yesterday have given way to cloudy skies and period of light snow early this morning. Most snowfall amounts up to 8 a.m. were too light to measure except for .07 of an inch at Fairchild and .10 of an inch at Hailey.

—High pressure aloft has moved quite far to the north and, as a result, has allowed an area of lower pressure to move into Montana, Idaho and Colorado. Partly cloudy to cloudy skies are forecast for our valleys today and Tuesday. Occasional periods of snow are expected today and tonight. Cloudiness and snowfall will be decreasing later on Tuesday.

—Temperatures will be a little lower in our valleys the next few days as cloudiness persists. Maximum temperatures today and Tuesday will be in the 30s in Eastern and northcentral valleys and in the mid 30s to mid 40s in Magic and southwestern valleys. Minimum temperatures tonight will be in the teens and 20s in most valleys.

—The extended outlook calls for temperatures to average near to a little above normal during the cold spell.

Portland Man Talks In T.F. On Vietnam

"Today the chance of negotia-tion with Ho Chi Minh is gone," Kelsay Hinshaw, Portland American Friends Service Committee, declared at the Y building in Twin Falls Wednesday night.

Mr. Hinshaw reported on a seminar he recently attended in Washington, D.C., with State Department, Pentagon officials and congressmen at which "Paths of Peace" were discussed.

The speaker said he feels the U.S. has passed beyond the point of negotiation and outlined three possibilities for the U.S. concerning the Vietnam war.

"We can completely lay waste to Vietnam, continue the present policy of gradual escalation or decide we've had enough and get out," he declared. The speaker favors the third proposal and suggested the peace-keeping force there should be composed of non-whites from Southeast Asian countries.

"When over 50 per cent of the people of the U.S. favor pulling out of Vietnam, that is what we'll do," he noted.

He noted that Ho Chi Minh is considered a national hero in Vietnam and added that prostitution is "No. 1 business in South Vietnam."

The open meeting at the Y was attended by members of the Maple Valley Citizens for Peace and various church representatives.

Disappearing

SPRINGDALE—The large igloo and snowman in the backyard of the home of Mrs. Gwen Grant is slowly disappearing during the sunny days, but the colder temperatures at night have made it last for several days.

The igloo was made by Wayne Randall, his children and Gary Grant, son of Mrs. Gwen Grant.

Blackfoot Farmer Wins Jaycee Award

NAMPA, Idaho (AP) — A Blackfoot, Idaho, farmer has been chosen to represent Idaho in the Junior Chamber of Commerce's national outstanding young farmer contest April 7-8 in Des Moines, Iowa.

Jaycees Saturday night chose Richard Lee Kerbs, 30, as the Idaho outstanding young farmer.

Runners-up were Donald Krause, Caldwell, and Delmar Rybould, Redouph.

Kerbs and his partner, Jim Johnston, farm about 2,400 acres on the Fort Hall Indian Reservation in eastern Idaho.

SENTENCED

MADRID, Spain (AP) — A Spanish court sentenced three Roman Catholic priests and four other persons Saturday to prison terms of two years each after convicting them of taking part in an illegal demonstration last May Day.

Nuclear Medicine Slated As Subject Of T.F. Meet

Perspectives in nuclear medicine will be discussed Tuesday night in Twin Falls, during a meeting of the South Central Idaho District Medical Society.

Addressing area doctors and hospital board members from throughout Magic Valley who have been invited to attend the dinner meeting, will be Dr. Wil B. Nelp, associate professor of medicine and radiology at the University of Washington School of Medicine.

Dr. Jack McCall, program chairman, said the event will be held in the Blue Lakes Country Club and should be of interest to all members of the society. Dr. Nelp will point out the importance of use of nuclear technology in medicine including radiotopes in medical and surgical diagnosis.

Dr. Charles McWilliams, society member, said Dr. Nelp is a top authority in this new field today.

Born in Pittsburgh, Pa., Dr. Nelp graduated in 1951 from Franklin College in Indiana. He served the next 10 years at Johns Hopkins University School of medicine and received his degree there in 1953. He also served in the Otolaryngic Service of Johns Hopkins Hospital and later as assistant resident and research fellow in the same institute. From 1957 until 1959, Dr. Nelp became Captain Nelp, heading the medical service of Offutt Air Base Hospital in Nebraska. During this time he also had a teaching appointment at

SCOTT HARMON, 15, Troop 166, receives his Eagle Award from his mother, Mrs. Elmer Harmon Jr., during ceremonies at a Court of Honor held Wednesday night at the First Presby-

terian Church in Twin Falls. Looking on are, at left, David Mead, who presented young Harmon the award, and Mr. Harmon, at right.

Eagle Award Is Presented To T. F. Scout

A 15-year-old Twin Falls Boy Scout received his Eagle Award Wednesday night during a Court of Honor held at the First Presbyterian Church.

Scott Harmon, son of Mr. and Mrs. Elmer Harmon Jr., Route 3, was presented the award by David Mead, a member of the scout council.

Troop officers installed were

Scott Harmon, senior patrol leader; Jeff Davis, assistant patrol leader, and Jim Jones, scribe.

Mrs. Russell Is Series Winner

JEROME — Jerome Duplicate Bridge met Saturday at the Elks Club in Jerome with eight and one-half tables in play. A five-week series was completed with Mrs. P. Russell as winner.

North and south winners were Mrs. H. D. Fitzpatrick and Mrs. H. W. Hulsebus, first; Mrs. C. J. Straub and Mrs. P. E. Beck, and Mrs. M. G. Blood and Mrs. L. F. Bruce, tied for second, and Mrs. A. D. McMahon and Mrs. W. P. Haney, fourth.

East and west winners were Mr. and Mrs. R. W. Wood, first; Mrs. R. R. Williams and Mrs. A. L. Johnson, second; Mrs. C. H. Wellerth and Mrs. S. L. Thorpe, third, and Daniel Mehl and J. R. Burton, fourth.

Next Saturday will be regular masterpoint play at the Elks Club.

Governor Especially Pleased With Special Session Results

BOISE (AP) — Idaho's governor was generally pleased with results of the special legislative session which ended Friday, he said, but he was disappointed that two items he requested were not enacted.

Gov. Don W. Samuelson, in an interview, said the session had "accomplished everything that was important to me—the things that needed doing put done."

Tenderfoot Awards were presented to Bill Jones; Rod Eller and Kent Brennan; Mark Gerber received a reading merit badge.

Troop officers installed were

Scott Harmon, senior patrol leader; Jeff Davis, assistant patrol leader, and Jim Jones, scribe.

H. Lindsey, Noted Actor, Dies At Age 78

NEW YORK (AP) — Howard Lindsay, actor, director and playwright for more than a half century—but familiarly known millions as the Irascible-loyable father in Broadway's "Life With Father"—died Sunday of leukemia. He was 78 years old.

Lindsay not only appeared in "Life With Father" for over five of its seven years' run, he wrote it with the late Russel Crouse, with whom he collaborated for 20 years.

Lindsay's wife, Dorothy Stickney, portrayed the mother in the play.

Among other hits resulting from the Lindsay-Crouse association, which ended in 1962 with the death of Crouse, were "State of the Union," which won the 1940 Pulitzer Prize; "Arsenic and Old Lace," which ran for over three years; the musical "Anything Goes," and with the aid of Irving Berlin, "Call Me Madam," which starred Ethel Merman.

Lindsay also wrote the book for "The Sound of Music," starring Mary Martin, for which he was given the 1965 Antoinette Perry Award.

Born in Waterford, N.Y., March 29, 1889, Lindsay attended the Boston Latin School, spent a year at Harvard University, and studied at the American Academy of Dramatic Arts.

John Price Is Appointed To VFW Position

John Price, Twin Falls, has been appointed national aide-de-camp, recruiting, for the Veterans of Foreign Wars. It was announced Monday.

Joseph A. Sceria, Gardner, Minn., commander-in-chief of the VFW, announced the appointment.

"The growth of the VFW points out that veterans want to be part of our organization which will fight for benefits for this nation's veterans and servicemen," he said. "I appreciate the dedication of Mr. Price in signing up new members for our organization," he added.

the University of Nebraska School of Medicine.

In 1962 he joined the faculty at the University of Washington in both departments of Medicine and Radiology. As a director of the Clinical Isotope Laboratory, University of Washington Hospital, Dr. Nelp has had considerable experience in scanning techniques and will explain to area medical authorities his views on the future role of nuclear medicine in the community hospital. Dr. McWilliams said.

Stops Tormenting Rectal Itch

Exclusive Formula Promptly Stops Itching, Burning and Relieves Pain of Piles In Most Cases

New York, N.Y. (Special) The embarrassing itch caused by hemorrhoids is most tortuous. Yet science has found a special formula with the ability, in most cases—to promptly stop the burning itch, relieve pain and actually shrink hemorrhoids. And all without nar-

cotics or stinging astringents of any kind.

The secret is Preparation H. There is no other hemorrhoid formula like it. Preparation H also lubricates, soothes tender tissues and helps prevent further infection. In ointment or suppository form.

Yost Reveals Gains In Tax Levies

BOISE (AP) — A tax expert said Saturday taxes levied against all property in Idaho totalled \$47.4 million in 1967, a gain of \$7 million over 1966.

Max Yost, executive manager of the Associated Taxpayers of Idaho, said the calculation was based on questionnaires filled out and returned to him by county clerks.

He said the average property tax levy was \$9.40 per \$100 of assessed valuation, up from \$9.05 per \$100 but below the \$10.29 average for 1964, prior to the enactment of the sales tax.

The total property tax bill for 1964, Yost said, was \$78.2 million and in 1965, the year the sales tax became effective, it dropped to \$76.3 million.

Since then, Yost said, increases in assessed valuation and in levies by some taxing districts have boosted property tax collections to \$80.9 million for 1966 and the \$87.9 total for 1967.

"Judging from the 1968 budgets which we have reviewed," Yost added, "it appears that 1968 property taxes could take another increase—unless there is more taxpayer interest in the budgets than there presently appears."

Rupert Man Is Hurt In Crash

RUPERT — Sterling Nollson, 21, of Rupert, was treated and released at the Mindanao Memorial Hospital Friday evening for injuries received when the 1964 Chevrolet pickup truck he was driving collided with the rear of a 1957 Ford driven by Douglas C. Firklin, 19, also of Rupert.

Investigating state police officer, Gen. Bolton, and Nollson were headed west on Highway 25, about a mile east of Quail hunting and equestrian area, Rupert, when Firklin, who was moseying,

headed north on 100-E, apparently pulled in front of him. Damage to the pickup truck was estimated at \$700, while damage to the Ford was set at \$400.

Firklin was cited for failure to yield the right of way.

JACKIE VISITS

THOMASVILLE, Ga. (AP) — Mrs. John F. Kennedy is visiting Greenwood Plantation, an 18-acre retreat known for its quail hunting and equestrian activities.

Article Read At Excelsior Club Session

HANSEN — An article, "The Old Snow Storm," was given by Mrs. Charles Renfrow at the opening exercise at the Excelsior Social Club meeting at the home of Mrs. George Thompson.

Plans were discussed for the annual spring luncheon. Mrs. H. H. Thleme was appointed to check for places where it can be held and report at the next meeting.

Mrs. Don Connor was program chairman and game prizes were won by Mrs. Melvin Switzer and Mrs. W. F. Anderson. Mrs. Renfrow received a special gift and Mrs. Ralph Scott recycled a birthday anniversary gift.

The Feb. 15 meeting will be at the home of Mrs. Connor, with homemade valentines as the special topic.

Existentialist Stance Noted

At Hansen Meet

HANSEN — The Hansen Clerks of the Woman's Society of Christian Service met at the home of Mrs. W. C. Klutz, with Mrs. Austin Moore presenting the program on "The Existentialist Stance."

The District WSCS Conference will be at Burley, March 25 and the annual meeting will be at Pocatello, April 22-23, it was announced. Ann Eaton will be the speaker and the annual meetings of WSCS and Wesleyan Service Guild.

It was also announced by Mrs. Ralph Nelson that a World Day of Prayer will be observed in the Kimberly Methodist Chapel with the other churches of the community participating. Plans were also made to have a series of prayer meetings during the week preceding the event at both Kimberly and Hansen.

A week of prayer will be observed at the Kimberly Church starting Feb. 25, and ending March 3, with Rev. Delbert Remaley as the speaker, and Rev. Charles Miller of the Kimberly Nazarene Church as the song leader. Services will be nightly except Saturday.

It was also announced that officers will be elected at the general meeting Feb. 21, so that a list may be obtained for the district meeting in March.

Carol Lete Is Wed To Broadie

HAILEY — Mr. and Mrs. Albert Johnson have announced the marriage of their daughter, Mrs. Carol Johnson Lete, to K. Broadie, son of Mr. and Mrs. Lester Broadie.

Mr. and Mrs. Broadie will make their home at Arco. He is employed by the Atomic Energy Commission.

Previously, for her marriage the new Mrs. Broadie was employed as secretary for Russell Horn Insurance and Rent Estate.

TWO WINNERS of the Luther Hulsey Gulick award for outstanding leadership in the Twin Falls Camp Fire Council, Mrs. Frank Depew, left, and Mrs. Orval Johnson, admire the pins presented to them at the council's annual dinner meeting at the Holiday Inn. The presentation was made by Mrs. Cora Ainsworth, a former winner of the award. Officers were installed at the meeting.

Two Camp Fire Leaders Get Awards At Annual Dinner

Mrs. Orval Johnson and Mrs. Frank Depew were presented the Luther Hulsey Gulick award at the annual dinner meeting of the Twin Falls Camp Fire Council held at the Holiday Inn.

Both women have served many years in executive positions on the council. The award is given to persons having served at least five years and have done an outstanding job.

Mrs. Johnson was president for two years and has served as public relations, fair booth, candy and camp chairman. She also has

been a member of the council and sponsor of a Camp Fire Group.

The other honoree, Mrs. Depew, has served as president for three years, been vice president and camp and fair booth chairman. She also has been a leader, assistant and a sponsor. Both have been registered members of the Camp Fire Council for 1960.

A panel discussion on "Proposed Merger with Cassia County" was given by Mrs. M. E. Shores, Mrs. Morris Roth, first vice presi-

dent; Mrs. Oleen Seamons, second vice president; Mrs. Ainsworth, secretary, and Mrs. Wilson, treasurer.

Board members elected for a three-year term are Mrs. C. J. Smith, Mrs. Susan Shaw, Mrs. Jerry Meyerhoefner, Mrs. Don Huene, Mrs. Joannine Gilne, Mrs. Robert E. Thompson and Mrs. James Bondurant of Kimberly.

Mrs. Ken Hoyt, Mrs. Harold Fillmore, Mrs. Harold Frazier, Mrs. Carl Nipper and Ivan Skinner.

Mrs. Charles Heney was elected to the board as a representative from the leaders association.

The nominating committee installed Mrs. Johnson, Mrs. Jean Ross, Mrs. Otto Dolin, Mrs. Raymond O'Dell and Mrs. Archibald Turner.

A 20-year tenure award was given to Mrs. Cora Ainsworth, who made the presentation of the Luther Hulsey Gulick awards to Mrs. Johnson and Mrs. Depew.

Elmer Wilson was installed as president by Mrs. M. E. Shores.

Committee reports were given on camp-candy-sale-and-group organization and invocation was given by Mrs. James Vandenberg, executive secretary.

Deborah Lodge Installs Aides

HAILEY — Officers for the Deborah Rebekah Lodge No. 3 for the coming year were installed at the IOOF Hall. Mrs. Louise Bowdien, lodge deputy, assisted by Mrs. Harold Scheer, marshal, were installing officers.

New officers are Mrs. W. V. Mcatee, noble grand; Mrs. Ivan Nixon, vice grand; Mrs. Hazel Barber, recording secretary; Mrs. Martin Young, financial secretary, and Mrs. Alta Savaria, treasurer.

Appointive officers include Mrs. J. E. Leichliter, acting past grand; Mrs. Bowdien, chaplain; Mrs. Schaefer and Mrs. Hedley Bond, right and left supporters to the noble grand; Mrs. Fred Board and Mrs. Adelle Guthrie, right and left supporters to the vice grand; Mrs. Ada Bushnell, musician; Mrs. Calvin Robertson, warden; Mrs. James Newman, conductor; Mrs. Robert Thompson and Mrs. Doris Werry, outside and inside guardians.

Mrs. Robertson, retiring noble grand, was given a mock trial for "The Lime Light Thief" and was presented with a gift from the lodge and one from Mrs. Mcatee. Mrs. Robertson expressed appreciation to the members for their co-operation during her year and presented each with a gift.

DEAR ABBY: My heart goes out to that young woman who said she was the world's worst housekeeper. I was once in her shoes, but now I am one of the best. I think I know what the problem is for most women: They never finish what they start.

Before they're done cleaning, they start ironing. Before they're through ironing, they start to bake. Then, instead of washing up those dishes, they start sewing, and before they finish with that, they go marketing and come home with a lot of stuff to be put away, which only adds to the confusion.

If women would tackle only one job at a time, and finish that job and everything connected with it, they would soon find that housekeeping is not chore—but a joy.

It is so nice to live in a home that is always in good order.

MRS. E. V. B.

By ABIGAIL VAN BUREN
DEAR ABBY: Our eldest daughter had to get married at 17, after having gone steady with a "very nice" boy for three years, so we made a rule for the younger children—NO GOING STEADY.

Now we are having trouble with our 14-year-old daughter. She wants to go steady. We said no, she has to have a date with another boy between dates with her special boy friend. She says no one else asks her.

Tell me, Abby, how can parents keep their children from going steady? We know from past experience that it is dangerous, and we don't want any more "hurry-up" marriages in our family. But if the kids don't want to go with anyone else, or if no one else asks them, what can parents do?

WORRIED MOTHER

DEAR MOTHER: Instead of making rules, if parents would work toward building the kind of relationship with their children that lends itself to straight talk on a sensible, unemotional basis, they would fare better.

Let your children know why too much togetherness puts a strain on two normal young people who have a strong physical attraction for each other. Let them know that this "attraction" is usually equated with "love"—but don't laugh and say it's only "puppy love."

Tell them that the only way to reduce temptation is to reduce the time spent together alone.

Tell them that you are aware that when young people think they are "in love," the more they make out, the more difficult it is to control their desires, and they seldom do less when they're together than they did last time. Let them know that you understand and trust them, and recommend not going steady because you want to help them, not punish them. And

European Trip Explained At Club Luncheon

Mrs. James Kinney was featured speaker at the Twentieth Century Club luncheon meeting recently at the Holiday Inn. She showed slides and told the group of her family's trip to Europe.

Mr. and Mrs. Kinney, their daughter, Mary, and son, John, went to Europe last May so Mr. Kinney could attend the 88th Rotary International Convention in Nice, France, as a delegate from Idaho.

Mrs. Kinney told the group what a delight it was for her family to plan and think of the things they were going to do for this month in Europe. They had lots of help from friends in planning the trip and trying to decide how much they could do and see in the time they had. They studied the rate of exchange on money and the thrill of finally getting the passport that would entitle them to go from country to country.

Mrs. Kinney showed slides and told of the history of many of the places.

Decorations for the luncheon were done in a patriotic theme with flowers and flags by Mrs. Earl Nelson and Mrs. G. E. Edgar. The invocation was given by Mrs. Roy Painter, Mrs. Earl Johnson, president, welcome members and guests and Mrs. A. W. Shirane.

Mr. and Mrs. Dewitt Lahue announced the club will sponsor a benefit card party Tuesday at the YWCA. It will be a dessert luncheon beginning at 1 p.m. Bridal, piochlo and canasta will be played.

Mrs. Leonard Albee presented corsages to four new members, Mrs. Harry Glister, Mrs. Bill Torske, Mrs. Art Davis and Mrs. Oleen Seamons.

The next meeting is for March 5 at the Holiday Inn.

Former Dietrich Girl Marries In California

SHOSHONE — The marriage of Ardith Kay Frees, former Dietrich girl, is announced by her grandmother, Mrs. Dora Frees, Shoshone.

Mrs. Frees married William Arlebauer, Feb. 3 at the First Presbyterian Church, Sausalito, Calif.

The bride, daughter of Mr. and Mrs. Andrew Frees, now of Hawthorne, Nev., attended schools at Dietrich and Gooding prior to moving to Hawthorne where she graduated from high school. She graduated in journalism from the University of Oregon, Eugene, and has been working in California.

Mr. Arlebauer was born in Holland, reared in Indonesia on a plantation. He spent four years in a concentration camp after Sukarno took over, graduated from high school in Holland, came to the United States at age 10 and worked his way through college.

He served in the Armed Forces in Germany and upon his release in March of last year, became a citizen of the United States.

Mrs. Charles Heney was elected to the board as a representative from the leaders association.

Committee reports were given on camp-candy-sale-and-group organization and invocation was given by Mrs. James Vandenberg, executive secretary.

Magic Valley Favorites

MRS. DICK TRUSCOTT

402 Blue Lakes Blvd. N., Twin Falls

Rice and Sausage Casserole
Brown one and one-half pounds pork sausage slowly in a heavy skillet. Drain off grease. Add one medium onion, chopped; six stalks celery, chopped; and one green pepper, cut fine. Saute in skillet with a little butter.

Cook one cup rice as directed on package. Drain and combine with sausage and vegetables. Add one three-ounce can of mushrooms. Put all in a casserole dish and cover with slivered almonds.

Make a broil with two chicken bouillon cubes and two cups boiling water. Pour over casserole. Bake for 25 to 30 minutes in a 350-degree oven.

(The Times-News will pay \$5 each week for the best recipe submitted for Magic Valley Favorites. If you have a favorite recipe, just mail it to the Recipe Department, Women's Page Editor. The recipe becomes the property of the Times-News and cannot be returned.)

POWDERFUL PLUNGER CLEANS CLOGGED TOILETS

Club Meets

HANSEN — Mrs. Earl Triddle was high score winner at the Jolly 12 Pinocchio Club party at the home of Mrs. A. F. Daw.

Mrs. Jessie Calico was low score winner and Mrs. Frank Wright the recipient of the traveling prize.

Mrs. Calico was a guest. All members received Valentine's day gifts and some birthday anniversary and wedding anniversary gifts. The March meeting will be at the home of Mrs. Rose Wiseman.

It is so nice to live in a home that is always in good order.

Southern Demo Carries Portrait Of Lincoln

WASHINGTON (AP) — At the Senate, one Southern Democrat in particular, said, "Had he lived," the South would have been much less severe." Monday in honoring the birthday anniversary of Abraham Lincoln, GOP patron saint and Civil War president.

Amid preparations for "Lincoln Day" observances around the nation, traditional occasion book, for speech-making and campaign fund-raising efforts by Republican politicians, Sen. Harry F. Byrd Jr., D-Va., said of Lincoln:

"He was one of our greatest presidents." Byrd said Northerners, and his time, the senator said, shouldn't be surprised that a Southerner such as himself, thinks highly of Lincoln, born in the same year which was a fight between the North and South.

He noted Lincoln's declaration of "malice toward none and

charity toward all."

Byrd, a newspaper publisher and former editor, said he admires Lincoln not only as a strong and compassionate leader but also as a literary figure.

"His ability to write with such conciseness impressed me greatly," he said. "So many of his remarks had such common sense to them."

Byrd, whose family has roots deep in Virginia history, said he finds no embarrassment in being an admirer of the Civil War president.

Richmond was the capital of the Confederacy, much of the state was ravaged by the war and the final surrender of Southern forces was at Appomattox Court House Va.

But Byrd noted, Lincoln also had roots in Virginia. His father was from the Shenandoah Valley, not far from Byrd's home.

Exposed

LOS ANGELES (AP) — Hospitals were alerted to watch for a burglar who might be feeling ill after ransacking a house and making off with \$500 in loot. Police said the house was being treated to rid it of termites and that the intruder had exposed himself to toxic chemicals.

Rockefeller's plan, which would give the union a settlement Lindsay termed "blackmail," would put the city's Sanitation Department under state control during a temporary health emergency.

It still left the union without a contract.

Rockefeller was to ask the state legislature today to drop its regular business and pass the special legislation.

On Sunday night the governor announced that he would ask for a 3-day delay in the effective date of the legislation, "to give the mayor an opportunity to work out a settlement with the sanitation union."

Lindsay didn't comment on the proposed delay, but an aide called it unrealistic. "How can you bargain with the union," the Lindsay aide said, "when they know that just by waiting three days they can get the maximum amount promised them by the governor?"

A hint about public sentiment on the Lindsay-Rockefeller confrontation came Sunday night when the handsome congressman-turned-mayor got a standing ovation at the formal opening of the new Madison Square Garden.

GARDEN — The Rev. James E. Groppi, the white Roman Catholic priest who has guided Milwaukee's open housing demonstrators since they began last August, was fined \$500 and put on two years' probation today on a charge of resisting arrest.

County Judge F. Ryan Duffy Jr. first sentenced Father Groppi to six months in the House of Correction, then stayed the sentence and imposed probation.

He told the priest that should he be arrested again during the period of probation, the jail term would be reinstated.

Father Groppi was convicted by a just last Friday of resisting arrest during an attempted march last August. The administration, he said, during a brief period, when Milwaukee Mayor Henry Maier attempted to ban such activities by proclamation, ended in a melee with police. More than 100 persons were arrested, including the priest.

The court ordered the fine paid within 24 hours.

DON'T PARTICIPATE — MOSCOW (AP) — A survey of Sovetskiy high school students shows that more than one-third do not take part in organized group activities considered vital to forming "the new Soviet man."

Ketchum Man Is Serving On Cruiser

KETCHUM — Naval Reserve Ensign John R. Lane, son of Mr. and Mrs. John C. Lane, Ketchum, a crewmember aboard the heavy cruiser USS Newport News, participated in the destruction of nine enemy supply craft off the coast of North Vietnam.

Word from the Navy Department tells that the Newport News was patrolling with the Australian destroyer HMAS Perth about 28 miles north of Vinh when word of the enemy supply craft was received from a spotter aircraft.

The two ships converged on the 13 heavily-laden enemy vessels and commenced fire, sinking nine and driving two onto the beach. The spotter plane then destroyed one vessel and damaged another with its air-to-surface missiles.

In recent months the Newport

New and Pearl have worked together frequently on operations. Aldes to the mayor said telegrams to Lindsay ran 778-15 in his favor, and calls to the Mayor's Action Center backed his stand 3-240-62. Rockefeller aides said a wave of unfavorable messages to the governor turned in his favor after he got the garbage collectors back on the street, but they said they had no specific figures.

More than 6,000 sanitation men worked Sunday in temperatures mostly in the teens. The war on garbage was slowed on scores of streets where firesmen had put out trash blazes and left an icy mass of trash.

Rockefeller's settlement gave the sanitationmen a \$425-a-year raise, retroactive to last July 1, when their old contract expired. The old wage rates went from \$7.424 a year for beginners to \$7.056 after three years.

The agreement also provides double time for Sunday and holiday work, said Paul O'Dwyer, a union attorney. Not affected by the governor's action, he said, is the 15-day jail sentence imposed by Gov. George W. Wallace on Mrs. Emilie Bernard. Some work which has been donated, will be for her.

Entries for both the exhibit and the white elephant sale may be brought to the school from 3 to 8 p.m. Tuesday.

People having art collections, hobbies and the like are invited

to display them, according to

Mrs. Emilie Bernard. Some art

work which has been donated,

will be for her.

Entries for both the exhibit

and the white elephant sale may

be brought to the school from

3 to 8 p.m. Tuesday.

The world's first passive communications satellite could disappear a week or two earlier than the computed date. Or, if the solar pressure that has been driving it...earthward...eases slightly, the sphere could remain aloft well into April.

Scientists attribute recurrent changes in its orbit to air drag—the friction resistance of the thin atmosphere to the satellite's surface—and to the solar wind, a product of the sun's energy.

On most spacecraft these effects are negligible, but Echo's light weight and great mass make it susceptible to the slight pressures.

Packaged with mylar polyester coated with aluminum, the huge space ball, tall as a 10-story

building, glowed like a headlight at night, sparkling in the sun that bathed its course.

Echo I excited such interest that the National Aeronautics and Space Administration published weekly local forecasts of the periods at which it could be seen.

Hundreds of newspapers

printed the orbital schedules

daily until interest waned with the advent of more satellites that could be seen—though not brightly—with the naked eye.

Originally the spacecraft was estimated to have a lifetime of perhaps a year. In 1961 the Smithsonian Institution's Astro-physical Laboratory estimated Echo I would be destroyed either in April 1962, July 1963, or May 1964.

SEN. HARRY F. BYRD JR., D-Va., is a great admirer of Abraham Lincoln whose 150th birthday is observed Monday. The senator, who is displaying his leather-covered appointment book featuring a portrait of the Civil War president, said "he was one of our great presidents." Byrd, a newspaper publisher and former editor, said he admires Lincoln not only as a strong compassionate leader, but also as a literary figure. "His ability to write with such conciseness impressed me greatly," he said. "So many of his remarks had such common sense to them."

It was from the Shenandoah Valley, not far from Byrd's home.

But Byrd noted, Lincoln also had roots in Virginia. His father was from the Shenandoah Valley, not far from Byrd's home.

One of Byrd's hobbies is history, and much of his reading has been concerned with Lincoln and his time, the senator said.

"What was perhaps our most

Southwestern—such as himself, tragic era—tragic, because of his family, so to speak—pro-

duced two of the greatest lead-

ers we have had: Lincoln and Robert E. Lee."

Governor-Lindsay Differences Soar

By AL SCHAY
NEW YORK (AP) — Men are busy today collecting tons of garbage rotting on New York City's streets. That's about all Gov. Nelson A. Rockefeller and Mayor John V. Lindsay agree on.

Differences between the two nationally prominent Republicans escalated over the weekend, spurred by Rockefeller's action Saturday night to end the city's 9-day, illegal strike by the Uniformed Sanitationmen's Association.

Rockefeller, in an unprecedented move, placed the city's 10,000 sanitationmen under state control and put them back on the streets. By then, garbage had a 10-to-1 edge on the collection, 10 tons for each man.

Lindsay, already fuming because Rockefeller balked at the mayor's request for a National Guard call-out, exploded at the state takeover, calling it un- sound and a threat to every city in the nation.

Father Groppi Fined, Put On Probation

MILWAUKEE, Wis. (AP) — The Rev. James E. Groppi, the white Roman Catholic priest who has guided Milwaukee's open housing demonstrators since they began last August, was fined \$500 and put on two years' probation today on a charge of resisting arrest.

County Judge F. Ryan Duffy Jr. first sentenced Father Groppi to six months in the House of Correction, then stayed the sentence and imposed probation.

He told the priest that should he be arrested again during the period of probation, the jail term would be reinstated.

Father Groppi was convicted by a just last Friday of resisting arrest during an attempted march last August. The administration, he said, during a brief period, when Milwaukee Mayor Henry Maier attempted to ban such activities by proclamation, ended in a melee with police. More than 100 persons were arrested, including the priest.

The court ordered the fine paid within 24 hours.

DON'T PARTICIPATE — MOSCOW (AP) — A survey of Sovetskiy high school students shows that more than one-third do not take part in organized group activities considered vital to forming "the new Soviet man."

Dianna Holum Grabs 3rd Spot In Speed Skating To Win 2nd Medal At Games

By WILL GRIMSLY

Associated Press Sports Writer
GRENOBLE, France (AP) — The U.S. Olympic team, still reeling over Peggy Fleming's smashing triumph in figure skating, got something else to rave about Sunday when Dianna Holum won her second medal of the Winter Games by finishing third in the 1,000-meter speed skating race.

Mrs. Holum's achievement, however, did not completely overshadow the disappointing performance of Cynthia and Ronald Kauffmann in the compulsory figures of the pairs skating and the fourth loss by the wireless U.S. hockey team, this one a 3-2 decision to Canada.

At the same time, France's Jean-Claude Killy took a half-step toward galloping sweep of the three men's Alpine skiing races, posting the fastest time in the first of two giant slalom runs, and Italy's Eugenio Monti, nine-time world champion lugger, ended years of frustration by winning his first Olympic gold medal.

The 16-year-old Miss Holum, who finished in a three-way U.S. tie for second in the 500-meter race, became one of three speed skaters to win a second medal in the 1966 games. The others were Carolina Gellissen of The Netherlands, who won the 1,000, and Russia's Ludmila Titova, the runner-up in Sunday's race.

Miss Gellissen, a 20-year-old blonde Amsterdam secretary, flashed across the finish line in one minute, 32.6 seconds, eclipsing the Olympic record of 1:31.2 set in 1964 by Russia's Lydia Skoblikova.

Miss Titova also bettered the old record with a time of 1:32.9, one-half second ahead of Dianne. Ludmila already had won the 500-meter while Carolina was second in the 1,500.

Jenny Fish of Strongsville, Ohio, who was in the 500 triple tie, placed 23rd in the 1,000 in 1:38.4, but Jeanne Ashworth of Wilmette, N.Y., was seventh in 1:34.7 after finishing 10th in the 1,500. Miss Holum was 13th in the 1,500.

"I felt better today than I States in the first period, but have for a week," the North Canadian goalie Wayne Stephenson was hurt at the end of the first period, and Ken Brodick took over, shutting out the Americans the rest of the way.

Killy, the world's best skier, looks as if he might shut out all the other skiers from gold medals, thereby duplicating the feat of Austrian Toni Sailer in 1956. Jean-Claude, who already has won the downhill, flashed down the 1,800-meter, 70-gate giant slalom course in one minute, 42.72 seconds for a commanding 120-second lead over Switzerland's Favre going into Monday's second and final run.

"The race is not over, you know," Killy said. "I had a good run, and the track was in excellent condition. This is the kind of track I like."

If Killy holds the lead in the giant slalom, that will leave the customs official only the special slalom later in the week.

The American contingent made a strong showing in the first run with Jim Heuga of Squaw Valley, Calif., seventh in 1:45.46; Billy Kidd of Stowe, Vt., eighth in 1:45.81; Spider Schieck of Kyburtz, Calif., 12th in 1:46.34, and Rick Chaffee of Rutland, Vt., 13th in 1:46.44.

Although catching Killy or Favre seems out of the question, Heuga or Kidd conceivably could come up with the bronze. Kidd was pleased with the way his left ankle, which he hurt last Wednesday, responded, but another problem cropped up. It seems in the same accident he suffered a bruise on his right leg.

The two-man bobsled event, plagued by bad weather finally came to an end with Monti and brakeman Luciano De Piro winning. Their total time for the four runs was four minutes, 41.54 seconds, the same as that of West Germans Horst Floth and Pepi Bader.

But the Italians were awarded the gold medal because their 1:10.03 on the last run was the fastest over the four runs.

Paul Lamey of Manchester, N.H., and Rob Huscher of Valley Stream, N.Y., placed sixth while Howard Clifton of Elmhurst, Ill., and Michael Luce of Keene Valley, N.Y., were 11th. Other gold medal went to Jiri Raska of Czechoslovakia in the 70-meter ski jump and Franz Keller of West Germany in the Nordic combined ski competition.

Raska jumped 250 and 238 feet for 210.5 points, edging Australia's Peterhead-Bachelder and Jolani Peltola, who took second and third.

Keller's total of 440.04 points for the ski jump and the 15-kilometer cross country race was only 1.10 more than the 447.94 compiled by Alois Kaelin of Switzerland. Andreas Kunz of East Germany was third.

John Layton of the Air Force and Tahoe City, Calif., was the best of the men with a 1:59.18 for 27th, moving up one notch after the first race. James Murray of Avon, Mont., was 29th, jumping four places with a total of 46.02.

Michael Hessell of Eugene, Ore., remained 30th with 2:00.46 and Robin Parich of St. Cloud, Minn., 50th after the first race, held 46th at 2:30.14.

The luge races have been postponed several times and officials now hope to get in the third run Monday morning and the fourth that night.

Schmid, a 23-year-old locksmith, totaled 1:43.89 on the 1,000-meter ice course. Thomas Kochler of East Germany, gold medal winner in 1964, was second in 1:53.15 and another East German, Horst Hoerlein, was third in 1:55.33.

Miss Enderlein had a time of 1:38.08 on a shorter 850-meter course. Behind her were Anna-Maria Mueller of East Germany in 1:38.14 and Erica Lechner of Italy in 1:38.15.

Now Many Wear FALSE TEETH WITH Little Worry

Your false teeth annoy and embarrass by slipping, dropping, clicking and rattling. Now you can stop all that with **FASITEETH**. Then sprinkle a little **FASITEETH** on your plates. **FASITEETH**, holds dentures firmly in place so they're always easier. It's all-aluminum—doesn't sour. No gumby, gooney, putty taste or feel. Helps clean plate teeth. It's the only denture that's essential to health. See your dentist regularly. Get **FASITEETH** at all drug counters.

CSI Will Entertain ISU Frosh Tuesday

College of Southern Idaho Pies Vann, Tom Bush and Ron Golden Eagles put their 17-3 record on the line against the Idaho State University freshmen at 8:15 p.m. Tuesday in the Twin Falls gymnasium.

CSI won the first match at Pocatello 74-65 but this was before Bob Glover was sent home and Fred Trenkle became ill. Since then the ISU frosh have improved by beating their counterparts from BYU in a four-point decision and Coach Eddie Sutton believes unless his Eagles can do a good job of defense and controlling the game early, it will be a dandy brook.

Idaho State is led by 6-4 guard Tony Ioano of Los Angeles who staged a fine outside shooting display and kept the ISU frosh in the game against CSI at Pocatello. Idaho State is not as overpoweringly tall as some of the frosh teams. CSI has met it that seven players in the 6-4 and 6-5 range and an eighth.

The Eagles, who face a tough weekend tour at Eastern Utah and Weber Friday and Saturday nights, will again be going with Sutton's half dozen, it appears. With Trenkle out for the week—and only hopefully available for the Boise game Feb. 20—it will be an iron man role for

Skier Kiki Cutter of Bend, Ore., broke out with a light rash Sunday, but Coach Bob Beattie said, "It's not the monsore." Ever since, the 18-year-old Kiki went out with French racer Patrick Tambay, and he later came down with the measles, a close check has been kept on Kiki to see if she would get them too.

The incubation period would end about Tuesday, which is the date of the ladies' slalom. However, Kiki had a measles shot, and that may have turned the tide.

Meanwhile, Beattie expressed doubt that Karen Budde would be ready for Thursday's giant slalom.

The tall 18-year-old blonde from Jackson, Wyo., dislocated her right shoulder in a pre-downhill collision with an Iranian male racer Saturday.

Team doctor said she would be ready to race Thursday, but Beattie said, "We're not too hopeful. The doctors don't realize what's involved in racing. However, she had several dislocations as a junior and always bounced back quickly."

LAST GAME

BOSTON (AP) — Rookie Mal Graham played his last game of the National Basketball Association season for the Boston Celtics Sunday in a 141-104 loss to the Los Angeles Lakers.

The former New York University star will report to Fort Dix, N.J., Monday to start six months active duty as part of his Army Reserve program.

In 43 games, Graham scored 270 points.

RED'S TRADING POST

BYU Has Finn That Looks Like Chaplin, Vaults Like Superman

By DAVID FITZPATRICK
PROVO, Utah (AP) — Alti Alarotu, ipreferably a vaulter. Alarotu is a 22-year-old Finn lineisque moustache, and can look like Charlie Chaplin, barely see his fibreglass pole and pole vault like Superman, without glasses, trained long jumps. The mountains and Alarotu, a freshman at Brigham Young, and hard. He got Seagren, and streams, he says, remind him of Karlshamn, Sweden, has cleared 7 feet in the high jump.

Alarotu and Seagren are recovering from ankle injuries.

The best-known of the Scandinavian athletes on the track team, All are sophomores. Perfil Pouli, the Finnish national long jump champion, already has soared 25-10 in the long jump and 53-1 in the triple jump.

Another Finn, Jakkko Toumijan, has run the high hurdles in an impressive time of 13.8.

Cristle Cellon, a 21-year-old native of Karlshamn, Sweden, has cleared 7 feet in the high jump.

Toumijan and Cellon are recovering from ankle injuries.

The best-known of the Scandinavian athletes at BYU is basketball star Karl Ilmio, 22-year-old junior from Helsinki. Ilmio was an all-Western Athletic Conference selection last season. At 6-7 he is the team's leading scorer and second best rebounder this year.

There could be two Finns in the lineup next season. Veikko Vaino, who stands 6-10 and 200 pounds, is one of the top freshman players.

BYU officials say more Scandinavian athletes are on the slate.

"The more we see of them," says Alarotu, "the more we like them. They're a credit to our school and teams."

If we weren't sure of winning, we wouldn't be making comparisons.

Pontiac vs the so-called low-priced cars.

You might find a better description for them when you know Catalina has a 400-cu.-in. V-8, 121-inch wheelbase, Wide-Track, and all-for a price you might have to pinch yourself to believe.

It's Comparison Days at your Pontiac dealer's.

Minico, Bonneville Meet In EIC Showdown; Oakley Can Take Title At Declo

Minico's Spartans meet the Bonneville Bees Wednesday night in a showdown for the Eastern Idaho Conference basketball championship while Oakley can wrap up sole possession of the Magic Valley Conference with a victory at Declo Tuesday night in the mid-week highlight of Magic Valley's basketball schedule.

Spring Camps Solve Many Questions

By FRANK ECK
AP Newsfeatures Sports Editor

Baseball, spring training means six weeks of sun in Florida, Arizona or California where managers usually try to separate the men from the boys. It's a bit different this time.

Almost every manager will be asking: "How does Jim Lonborg look over at Winter Haven?"

They will be saying that until they see the 22-game winner of the Boston Red Sox work in a late spring exhibition game, if that's possible.

Lonborg is the young pitcher who made it big last season. He won 22 games in pitchers' heat. The Red Sox to the pennant then hurled two great games in the World Series, the first of which was a one-hitter.

He signed a \$50,000 contract for 1968. Then at Christmastime he almost broke a leg, skiing around Lake Tahoe, Nev., and underwent an operation for torn ligaments in his left knee. Any predictions about another Boston pennant must await Lonborg's effectiveness.

In the National League, managers will be asking:

"Has Juan Marichal got a desire to pitch?"

"I don't think I can pitch any more," Marichal said when he walked off the mound last Aug. 25.

The high-kicking 30-year-old Dominican Republic star who had won 21 to 25 games a season for four years won 14 games in 1967. He was dismantled with his performances after pulling a hamstring muscle in his left leg last Aug. 4.

Marichal said the injury affected his delivery. The Giants told him to forget about it and pitch. Juan was in anything but a wonderful mood when the season ended.

The Philadelphia Phillies also appear to have problems. Rich Allen, their slumping third baseman, put his right hand through the headlight of his car when

the Spartans, trailing Bonneville and apparently out of it a week ago, came through with a decision over Idaho Falls Friday night and benefitted when unlikely Blackfoot and third-place Declo came up with five-point decisions, giving the Bees. That runs it right down to Wednesday's confrontation. However, each will have a final

obstacle before claiming the title. Minico will wind up at Burley Friday night while Bonneville will close out its season at Skyline.

The two appear evenly matched going into the fray, although Minico holds the edge in individual scoring. Minico is averaging 64.8 points per game and Bonneville is 63.1. Defensively, they are even at 55 per outing.

All five of Minico's starters are in double scoring figures while Bonneville has three men with 10 or better averages, including the top scorer in Lee, who is averaging 20 points.

Bonneville is a little deeper on the bench and both have pretty good height, Minico holding a slight edge.

Oakley is in enviable position in the Magic Valley Conference chase. It holds a two-game edge with two to play, giving Coach Gary Swan the happy alternative of win or tie. Declo, its ranks thinned for various reasons, won't lay down for the Hornets because this is one of the good rivalries.

Meanwhile, the Hornets will have to lose one of its two closest competitors with Castleford and Murchison meeting at Murchison. The loser is out of it. Castleford is in a position to do it itself; needing the win over Oakley — plus a Declo upset — and then meeting Oakley in the windup Friday. But Oakley can play .500 ball in its last two games and be unpressed.

The season ends with 21 games on the weekend and then everyone starts all over next week with tournaments.

Caldwell Woman Wins Tourney

BOISE (AP) — Betty Lawson of Caldwell won 14 of 16 games and averaged 103 scratch to capture the Idaho Women's All-star bowling title Sunday.

The Canyon County bowler

will travel to Garden City, New

York, in May to compete in the

National Women's All-star.

Defending champion Beverly Herron of Blackfoot averaged 178 in the Sunday competition.

Third in the field was Peg Zimmerman of Coeur d'Alene, with a 170 Sunday average.

And the first pitcher with the nervous habit of putting his fingers to his lips will get a scolding from the umpire.

After them came Glady Schaefer of Boise, Betty Dennis of

Caldwell, Karen Hall of Pocatello and Lettie Madson of Idaho Falls.

Whether he throws the ball or not, a pitcher can't find his lips any longer, not even in spring training.

The high-kicking 30-year-old Dominican Republic star who had won 21 to 25 games a season for four years won 14 games in 1967. He was dismantled with his performances after pulling a hamstring muscle in his left leg last Aug. 4.

Marichal said the injury affected his delivery. The Giants told him to forget about it and pitch. Juan was in anything but a wonderful mood when the season ended.

The Philadelphia Phillies also appear to have problems. Rich Allen, their slumping third baseman, put his right hand through the headlight of his car when

he tried to push it. Reports are that the hand isn't as strong as it used to be. Allen, regarded as a superstar in 1966 when he hit 40 home runs, fell to 23 homers and missed 40 games last season.

First baseman Bill White, who never had an Achilles tendon in 1966, got in only 110 games last year and hit .255. He goes to go some to match the White who drove in 103 runs in '66. Last year he had only 33 RBIs.

Baltimore, the team that slipped the Los Angeles Dodgers in the '66 World Series and then slipped because of inadequate pitching, has a big question mark in Jim Palmer, their 15-game winner during the all-victorious campaign.

Palmer had such a bad shoulder that the Orioles slipped him into the minors. In September he was with the Orioles about to finish sixth, didn't push himself. Palmer won only three games and had only nine starts last season. His tonsils were removed last December and his shoulder no longer is sore. But he must prove himself again.

Seven teams will be starting the spring with new managers. There's Cal Ermer with the Minnesota Twins, Jim Lemon in Washington, Alvin Dark in Cleveland, and Bob Kennedy with the Oakland Athletics, nee Kansas City, in the American League. In the National it's Gil Hodges running the New York Mets, Larry Shepard handling the Pittsburgh Pirates and Lum Harris making out his lineup cards for the Atlanta Braves.

And the first pitcher with the nervous habit of putting his fingers to his lips will get a scolding from the umpire.

After them came Glady Schaefer of Boise, Betty Dennis of

Caldwell, Karen Hall of Pocatello and Lettie Madson of Idaho Falls.

I-will sell the following located 7 miles northwest of Wendell, Idaho, on Highway 25, then ½ mile west, then 1 mile south, or 7 miles west of Wendell on Hagerman highway, then 3 miles north and 1 mile east.

Some 125 southern Idaho and Jackson Hole, Wyo. skiers competed in the classic.

In Saturday's downhill race, the first-place trophies went to Peter Crenshaw, Jackson Hole Ski Club, intermediate boys division; Glenda Stelma, Sun Valley, intermediate girls; Claire Beckman, Sun Valley, novice girls; Steve Plaster, Pinedale, novice boys; Sarah Wells, Pinedale, peewee girls; Fred Saunders, Jackson Hole, peewee boys.

First places in Sunday's sprints downhill race, a new course for all divisions, went to the following:

Bill Shaw, Sun Valley, intermediate boys; Kathy Hurst, Sun Valley, intermediate girls; Claire Beckman, Sun Valley, novice girls; Bruce Rowley, Jackson Hole, novice boys; Sarah Wells, Pinedale, peewee girls; Ricky Budge, Jackson Hole, peewee boys.

CANADIENS WIN

CHICAGO (AP) — The Montreal Canadiens solidified their position atop the National Hockey League's Eastern Division Sunday by blasting the defending champion Chicago Black Hawks 6-0.

Monti Readies For Retirement After Winning Gold Medal

By PIERO DE GARZAROLLI
Associated Press Sports Writer

ALPE D'HUE, France (AP)

Eugenio Monti, nine-time

world champion, nicknamed

"Red Devil" for his red hair

and penchant for speed and daring, has captured the elusive Olympic-blessed gold medal

and now readies for retirement.

"I can now retire peacefully,"

said the 39-year-old ski lift oper-

ator from Cortina. D'Appuccio, who piloted his two-man bob with brakeman Luciano De Paolis to victory Sunday in an aggregate time of 4:41.54.

"I'm a satisfied man."

The gold medal—he won the silver in the two- and four-man

bobs in 1956 and the bronze in

BOTH EVENTS IN 1964—ENDS

12 YEARS OF DISAPPOINTMENT FOR THE

MAN ACKNOWLEDGED AS THE WORLD

BOBLED KING.

"With a little luck it looks as though I'll break the Olympic hoodoo," he had commented after taking the lead after the first two runs Saturday. As it was, he almost had to share the medal with a German team.

The German team of Horst Flöth and Pepi Bader actually tied Monti and De Paolis with the same time and the International Jury first announced both crews would receive a gold. But it later ruled that Monti's record time of 1:10.05 in the last of the four runs had made the Italian sole winners according to Olympics rules and the Germans got the silver.

The victory eliminates an amazing career of this man who revolutionized bobbing by introducing a flexible device for the bob to absorb the rude shocks against the ice surface of the bob track.

Most of his competitors freely admit the superiority of the 3-foot, 160-pound dynamic.

"There are bobbedevils and that is Monti," said Bob Sald of Fair Haven, Vt. "All of us hold him in awe."

He has the driving ability and the reflexes. He will study a course inch by inch, always discovering a spot neglected by his rivals which would enable him to pick up extra hundredths of a second which mean the difference between defeat and victory.

He also is recognized as the daringest of those who risk their lives in the icy chutes. He dismisses danger. He has suffered many broken bones and his face has been badly smashed, forcing plastic surgery.

"Oddly, it was broken tendons in both knees suffered during a skiing accident that led him to bob sledding."

Monti had earned a berth on the Italian national team for his

third consecutive year.

The shot broke a three-way deadlock in a daylong struggle for the \$30,000 top money for the 25-year-old Floyd, who had already finished his round with a 97 for 275 and was watching the finish on television at the Torrey Pines Golf Club.

Floyd was 13 strokes under par and Welskop and Gelberger

were 10 and 13 under par, respectively.

Welskop's approach to the green was short, about 22 feet off the carpet. Dave Hill, third member of the threesome, was in the trap and blasted out. Then came Tom's electrifying finish.

Gelberger followed with

a birdie putt which almost went unnoticed in the excitement. It gave him a 69 for 274 and second money of \$18,000.

Whether he throws the ball or not, a pitcher can't find his lips any longer, not even in spring training.

America's Bowlers Are Getting Better

"AKRON, Ohio (AP) — Those who knock down the most pins were separated by only five pins per game in 1967, reports the PBA. Their averages were between 212 and 207.

Some of them like 26-year-old Wayne Zahm of Atlanta and Lanny Davis of Phoenix average about \$1,000 a week. Jim Stefanich of Juliet, Ill., won about \$40,000 last year and averaged 210 pins per game to win the \$100,000 Tournament of Champions in Akron last April. He rolled 37 straight games of 200 or better to do it, a world's record.

Men in sanctioned leagues have been averaging about 153 while women do well to average 135. "There's hope," reports the ABC, "because these bowlers may have gone up one pin in their averages over the past several years."

The top 20 professional bowlers were separated by only five pins per game in 1967, reports the PBA. Their averages were between 212 and 207.

Some of them like 26-year-old Wayne Zahm of Atlanta and Lanny Davis of Phoenix average about \$1,000 a week.
